

ST JOSEPH'S COLLEGE BANORA POINT

SCHOOL SHOE EXPECTATIONS

The College has expectations regarding the type of shoes to be worn by students with the school's formal and sports uniforms. We ask our caregivers to bear this in mind when making your school shoes purchase.

School Shoes (to be worn with the formal uniform)

Black, business/school, polishable, leather, lace-up shoes. If for medical reasons school shoes cannot be worn, alternative covered-in shoes can be worn only if a medical certificate deems it necessary. Leather Vans, Converse and similar branded casual shoes are not permitted, nor are high-cut shoes such as Converse Chuck Taylors and boot-style Dr Martens.

Acceptable School Shoes:

Please also note that high-cut shoes such as Converse Chuck Taylors and in particular the boot-style Dr Martens are **not** permitted.

Examples of School Shoes that are NOT acceptable:

Sport Shoes (to be worn with the sports uniform)

Runners [traditional lace-up style]. Skate shoes, canvas style including Dunlop Volleys are NOT acceptable.

Please ensure your child wears appropriate runners suitable for practical activity in Sport and PDHPE / PASS / SLR classes.

Skate shoes, canvas style or casual shoes do not provide the support and stability required, nor do Air Force One or similar styled shoes which are [not appropriate for practical activity](#) at school, but rather are more suitable for casual and fashion purposes.

As a result, this style of shoe is not considered a runner and should not be worn. Below are some examples of the Air Force One style of shoe.
